Dear MCS Families:

Starting Monday, November 16, all remote learners in grades 1-12 will be moving to 4 days of instruction. Students in the elementary grades will be notified by their classroom teachers as to the times they will need to be logging in on Monday, Tuesday, Thursday, and Friday. Students in grades 7-12 will follow their regular schedule, logging on for classes each period except study halls and lunch. In addition, for some of the special area classes (P.E, music, art), teachers will let students know when they need to log on and when they can be working on activities/assignments independently. Wednesdays will continue as office hours and supplemental days. Instructional materials along with food will also continue to be delivered on Wednesday.

If you have questions, please email those to reopening@morriscsd.org or call the school. Thank you.

Sincerely,
